Dear Mr. Burford:

The above referenced project has just reached substantial completion. I anticipate that the Engineer, Douglas Griffin, P.E. of Kenvirons, Inc., will complete the "as builds" and a statement of certification that the project was completed in accordance with the contract plans and specifications by November 15, 2006. A copy of the "as-builts" and certification statement will be forwarded to you.

If you have any questions, please call me at 606/631-6165.

Sincerely,
